1965 FUTURITY

The record, listed below, indicates the balance of the four breeds that has been maintained during recent years. This year's entries are consigned by 104 breeders.

The cattle in this show are always good, the competition keen, the sportsmanship fine, and the show great.

Alfred Meeks, Upstream Hereford Ranch, Taylor, Nebraska, is the judge of this year's Hereford Division. Mr. Meeks has exhibited many winners at leading shows and the breeders welcome him as a judge of our Winter Show.

John N. Johnson, North Dakota State University is serving his second turn as judge of the Charolais Division.

Dave Canning is no stranger to North Dakota Angus breeders. Raised in the Red River Valley, working with Angus breeders in eastern United States, he has judged many of the leading shows.

John Shuman, Colomeadow Farms, Deer Trail, Colorado will judge, the Shorthorns. Mr. Shuman is one of the West's leading Shorthorn breeders and exhibitors. We will enjoy watching him work our North Dakota Show.

SPECIAL AWARDS

The American Shorthorn Breeders' Association will increase the amount of each local Futurity premium in the Shorthorn classes by 50%. The American Aberdeen-Angus Breeders' Association limits its contribution to \$850.00 and the addition to individual local premiums in Angus classes will be somewhere between 40% and 45%. The American Hereford Association, Hereford Drive, Kansas City, Missouri, pays 20% of the total premiums of \$5.00 or more offered for registered Hereford breeding cattle. The Association's share will be mailed directly from their Kansas City Office. Therefore, the Hereford premiums listed on page six will be increased by 25%.

The North Dakota Winter Show will award a belt buckle to herdsman from each breed, judged to be the best housekeeper. Appearance of cattle, stall and alleys will be considered. Owner herdsman are eligible as well as professional herdsman. Each exhibitor is to indicate who is to be considered herdsman in charge.

The Angus premier exhibit award will be given by the North Dakota Angus Association to the breeder who presents his cattle in the best possible manner.

The McGregor Memorial Trophy will be awarded to the exhibitor of the Champion Futurity Angus Bull.

The Majoribanks Traveling Trophy will be presented to the exhibitor of the Champion Futurity Angus Heifer.

1965 RULES AND REGULATIONS FOR NORTH DAKOTA JUNIOR FUTURITY PURPOSES OF THE JUNIOR FUTURITY

1. To encourage farm boys and girls so inclined to establish the foundation for a future purebred herd.
2. To give such boys and girls competent assistance in securing high quality heifer calves.
3. To provide an incentive to do a good job with the calves, to secure the advantages of friendly competition, and to furnish inspiration to members and show spectators by providing for a state-wide showing of the calves.
4. To interest county extension agents, agricultural instructors, livestock breeders and others in helping members with care, feeding and breeding problems.
5. To promote better-paying cattle production in North Dakota.

RULES AND REGULATIONS

1. Membership in the Junior Futurity is open to 4-H Club members and FFA members enrolled in beef breeding projects in North Dakota. Once a member, always a member, until age requirements of the 4-H and FFA bar further participation.
 - a. When a Junior Futurity member has won a Grand or Reserved Champion award with any breed twice, the member is no longer eligible to show in the Junior Futurity except the progeny from previous Junior Futurity heifers, but is encouraged to show in the Senior Futurity.
 - b. Junior Futurity member must show his own animal unless he has received prior approval from the Junior Futurity managers to use a substitute to show his animal.
2. To be eligible for exhibition in the Junior Futurity state show, the animal must:
 - a. Be purebred and must have been bred by the member or by a North Dakota breeder or purchased in dam.
 - b. Be in possession of the member by November 15, 1964.
 - c. Angus and Hereford entered must have been born on or after March 1, 1963 and before May 1, 1964.
 - d. Shorthorn entered must have been born on or after March 1, 1963 and before April 1, 1964.
3. Progeny from Junior Futurity heifers of past years may be exhibited:
 - a. Female progeny may be entered in the regular Junior Futurity classes for heifers.
 - b. Male progeny may be entered in their respective classifications. They may also be entered in a special progeny bull class. To be eligible they must meet age requirements the same as stated in item 2 (c) and (d).
4. Members are restricted to an entry of one animal in the heifer class, unless additional entries are female progeny from previous Junior Futurity animals. In this event, the one animal restriction does not apply. In the bull progeny class, no restriction on number of entries is applicable. After a progeny animal has been shown once in the state show, it cannot be entered again.
5. All entries in the Junior Futurity classes must be sent to the Junior Futurity Managers, accompanied by an entry fee of \$1.00, by November 16, 1964.

4-H members' applications are to be mailed to:
Craig R. Montgomery, Assistant Director of Youth
North Dakota State University, Fargo, North Dakota

FFA members' applications are to be mailed to:
Winston H. Dolve, Assistant State Supervisor of Agr. Education,
North Dakota State University, Fargo, North Dakota

FFA entries must be approved and signed by the Vocational Agriculture Instructor before mailing.

4-H entries must be approved and signed by the County Extension Agent before mailing.
6. Registration papers showing that ownership of entry is recorded in the member's name only, are to be presented by members to the Junior Futurity managers, prior to the Junior Futurity Show.
7. Members are expected to care for, feed and water, fit and show their own calves and to keep satisfactory project records.

PICTURES FOR BLUE RIBBON WINNERS

The North Dakota Farm Bureau, The North Dakota Futurity and the North Dakota Winter Show Sales, will have a professional live-stock photographer on hand to take pictures of the calves and members placing in the blue ribbon group. These pictures will be suitably framed and inscribed with the name of the winner and the record of his blue ribbon placing.

BEST STALL EXHIBIT

A sterling belt buckle will be given to the Junior Futurity exhibitor that has the best appearing stall for each breed. To be considered will be daily cooperation, neatness, decoration, cleanliness and grooming of the calf. These awards are given by the North Dakota Hereford Association, the North Dakota Shorthorn Association and the North Dakota Angus Association.

JUDGING PROCEDURE

The Group System of judging will be used in the Junior Futurity. The blue ribbon group will also be lined up numerically. Factors determining the groups into which each will be placed are: size for age, condition, quality, breed character, type and conformation.

Blue group calves will be those considered highly desirable for foundation stock in the establishment of purebred herds. Red group calves will be those somewhat less desirable for foundation animals, yet satisfactory for the most part. White group calves can be considered more or less wholly unsatisfactory for foundation animals. With the latter, the road to top quality breeding herds is too slow and often disappointing.

Following classification into the three groups referred to above, all blue group calves will be returned to the judging arena. The judge will then select any truly outstanding calves and these will be designated Purple group calves.

Purple group calves win the right to show in their respective age groups of the Senior Futurity without payment of entry fees. The owners of these calves are eligible to win any premium money offered in the Senior Futurity.

JUNIOR FUTURITY PREMIUMS

A total of \$500 is made available by the North Dakota Winter Show for cash premiums in the Junior Futurity. This purse is split among all exhibitors in varying amount depending upon whether blue, red or white group placings are won. In addition, each exhibitor wins a ribbon - blue for blue group placing, red for red group and white for white group. The amount of the individual cash premium hinges on the number of animals placing in each group. Thus, until the judging is complete, the individual awards cannot be determined by the Futurity managers.

UNION STOCKYARDS LIVESTOCK MARKETING AGENCIES PLAQUES

Beautiful plaques will be awarded to Junior Futurity members having the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed. Only purple ribbon winners will be eligible. These plaques are being awarded by the Union Stockyards Company and the commission firms at West Fargo, namely: Central Livestock Association, Dakota Livestock Commission Company, Farmers Union Marketing Association, McDonald Livestock Commission Company, Montgomery & Sons, Sig Ellingson and Co.

TERMS AND CONDITIONS

Each animal will be sold to the highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal as soon as sold will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale - but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS - CASH - Unless otherwise arranged prior to the sale.

With cattle of this age limit, it is considered that the purchaser is more responsible for their future usefulness than the breeder and that a breeder is relieved of all responsibility after a sale is completed. However, every possible precaution is taken to eliminate individuals with any known defects, and to assure that bred females are with calf. The entire offering will be sold at the halter and any further guarantee will be between buyer and seller.

The following guarantee is recommended for the buyer and seller:

1. All claims should be submitted in writing to the seller within six months.
2. In the case of bulls, the buyer shall give the bull an adequate trial and have him inspected by a veterinarian at buyer's expense.
3. Seller shall have privilege of trying bull after his return before making any adjustments.
4. Any guarantee is void if there is evidence of improper management in caring for the animal.
5. Seller will have the privilege of replacing with an animal of similar quality and breeding or refunding the purchase price of the animal.
6. The above guarantee is between the individual consignors and the buyer of each lot. The North Dakota Hereford Association assumes no liability, legal or otherwise, but will help in every way possible to make adjustments should it become necessary.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

MAIL ORDERS - For those unable to attend, buying instructions may be sent to M. A. Kirkeide, Sale Manager, or other representatives.

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

CLARKLAND MERCURY MAJOR - Is perhaps the best stock bull ever raised at Clarkland there for I am only selling 2/3 interest in this bull. The new owner may have full possession of the bull for the next 2 years. I retain semen rights. After 2 years I am sure we can work out some means so I can have some possession of the bull.

TERMS AND CONDITIONS

Terms of the sale are cash.

The auctioneer will settle any disputes as to bids by reselling the animal.

Each animal will be at purchaser's risk as soon as sold. Cattle will be cared for, for a reasonable length of time after sale to permit ample time for removal.

BREEDING GUARANTEE:

1. All animals are guaranteed to be breeders, with the exception of calves under six months of age or animals shown by the purchaser after sale. In cases of animals shown after purchase the breeding guarantees, if any, shall be such as agreed upon between the seller and the buyer.
2. Bulls are guaranteed breeders if not allowed to run with the herd until at least 18 months of age. Any bull that settles at least one-third of the healthy cows he serves shall be considered a breeder.
3. Safe in calf females have been examined by a competent veterinarian and are so guaranteed.
4. Served females are believed to be in calf but are not so guaranteed.
5. Pasture bred females have been exposed but are not guaranteed to be in calf.
6. Open females have not been served and are so guaranteed.

Health certificate must accompany any animal returned to the seller's farm showing same health standing as when sold.

A certificate of registry and transfer will be furnished with each animal sold.

All cattle will have passed a test for T. B. and Bang's within thirty days of sale. Health Certificates will be furnished day of sale.

In case typographical errors are discovered or changes in breeding dates, etc., occur, the owners will announce such changes at the time of sale. Buyers are cautioned to make note of such announcements since such corrections or announcements will take precedence over the printed matter in the catalog.

All persons who attend sale do so at their own risk, and the owners and clerks assume no liability, legal or otherwise, for any accidents which may occur. The above terms and guarantee shall constitute a contract between the buyer and the consignors of each animal sold. The owners of these cattle are in no way partners or an association and they jointly will not be responsible for any liabilities in connection with the cattle sold.

EILEENMERE 115TH OF S A R - 2/3 interest and full possession sell. He is a son of the 1954 Valley City Champion bull, who in turn was by Eileenmere of Shadow Isle. You will note such great sires in his pedigree as Eileenmere 500th, Henke's Eliminator 2d, Bell Boy A, Envious Blackcap B 6th, and others. His dam is a great cow by the top selling bull at the "Cameron's Dispersion Sale". We lost the service of his sire, therefore we are retaining a 1/3 interest in him, we believe he has herd bull potential.
